

Summer Choir Camp Opportunities

A number of area colleges offer summer Choir Camps to students in grades 9-12. We are very fortunate to have a strong Choir Booster Club. The Boosters help in a number of ways throughout the school year. One area is in the form of fundraising to generate scholarship money to be used toward summer choir camp expenses. The amount of the scholarship money available depends solely on the support and participation of the choir students, parents, relatives and friends. The number of scholarships available and the amount of any scholarships awarded may vary annually.

The purpose of this application is for choir students who are interested in receiving scholarship money toward a summer choir camp. Complete this form and bring it to the auditions, which will be on Thursday, 5/21, 2020 at 2:45 in the CCHS Choir Room. You may sign up for an audition time at the designated spot in the choir room/hallway.

Scholarships are to be applied to summer camp tuition only and may not be applied to travel fees, music, or room & board. Students who do not have to pay for camp tuition (many camps provide tuition-free camps to former All-Staters) are ineligible for this booster club camp scholarship.

For the audition, you will be asked to perform the following:

- 1) Sing your UIL Solo from memory (can be from this year or previous years). An accompanist will be provided. If you did not sing a UIL solo this year, see your director for music.
- 2) Sing a short sight reading exercise.

An audition panel may consist of one or more of the following:

1. CCHS Choir Director
2. Booster Club parent (shall not be a parent of a student applying for a scholarship)
3. Another teacher (i.e. CCHS band or orchestra director, another choir director, or a teacher who is musically-inclined)

This Audition Panel or Judge will consider each request and assign scholarship monies to help reduce the cost of the camp. The awarded scholarship money will be distributed according to some or all of the following criteria:

1. Dedication of music (practice/effort/attitude) and past performance in these areas
2. Participation in music events
3. Level of achievement/desire
4. Students' scholarship application answers
5. Director's recommendation

Scholarship money will be distributed by the CCHS Choir Booster Club once a receipt has been submitted to the booster club (families will pay the camp and be reimbursed for the amount of the scholarship). Receipt must indicate that the camp was attended and that the camp was completed. Receipts must be turned in by September 1, 2020.

Please note that a condition of receiving the scholarship is that the student is required to audition at the district auditions (or region auditions if there are no district auditions for your voice part). If a scholarship recipient advances, s/he is also required to audition at the next rounds of auditions. If a scholarship recipient elects to not audition or is forced to not audition because of eligibility, families will be expected to pay the scholarship money back to the CCHS Choir Booster Club. A student does not have to make District/Region, but they are expected to audition in order to receive scholarship money. Additionally, a student who makes it into a region choir who received a camp scholarship must participate in the Region Choir Clinic and Concert. A student who chooses not to sing in the Clinic and Concert will be expected to pay the scholarship money back to the CCHS Choir Booster Club.

Students who would like to attend a summer choir camp that is not related to All-Region/State Auditions are eligible to receive a scholarship as well. However, it is expected that any student who is dedicated enough to attend a summer camp is also dedicated enough to audition for Region/State. Therefore, a student does not have to attend an All-State camp to receive a scholarship, but s/he will still be expected to audition for Region/State and follow the guidelines in the paragraph above.
