"Where No One Stands Alone"

October 04, 2020

It's hard to believe we are already in the last week of the first grading period. Our choirs at Creek are starting to finally get in the swing of things as we juggle new protocols in addition to our normal fall semester objectives. With the amazing weather last week, we moved Creek Choir outside! It was definitely a treat even though someone of us learned to pack sunscreen to school on "outside days." Below you will find a few items to stay on top of. If you have any questions, feel free to contact us.

Fees & Forms

If you have not turned in your Fees & Forms PDF yet, it is past due. Click [here](#) to access our website with links to the fillable PDF document as well as a link to our online choir store to handle fees (both mandatory and optional). Once completed, please send the Fees & Forms PDF to clearcreekchoir@gmail.com.

Clear Connections Check In

Here is another reminder for our Clear Connections students to continue to check in with us at the beginning of their choir period. As the weeks go on, we are discovering that the students who are struggling with turning in work are the students who are treating choir more asynchronously. While it is up to you on how to handle your asynchronous work, we encourage you to try to treat choir a little more synchronously. This will not only help you stay on track, but it will also give us a chance to see your face!

TMEA All-State

The first round of All State auditions begins this upcoming Saturday! The deadline to turn in your All-State contract has passed. This week, we will confirm who is auditioning in addition to what voice part they signed up for. All State singers, we will contact you separately with more info on how the virtual audition process will work during the recording window from Oct. 10 - Oct. 14.

Threads of Joy has been cut from the Round 1 audition. Please continue to work on Sleep, Ride in the Chariot, O Sing to the Lord (Tenor/Bass), and You Do Not Walk Alone (Treble).

Halloween Social

Our Officers are hard at work preparing our first VIRTUAL choir social. This event will be held via TEAMS. We do not have a set date right now but we do know it will be during the last week of October in the afternoon/evening. Keep your eyes peeled for a choir officer update with more info.
